NOURISHING YOUNG GROWING MINDS

Re: Letter of Reference

This letter serves to confirm NUNGU has been a service provider since June 2011. We commend Nungu on the admirable handling of the Tiger Brands Foundation, In-School Breakfast Feeding Programme where they have been responsible for the procurement and distribution of groceries to beneficiary schools in Gauteng, Limpopo, Mpumalanga and Kwa Zulu Natal. The In school breakfast feeding programme has to-date fed a warm breakfast to over 37,000 learners daily, across four provinces.

Nungu has also played a vital role in our December 2011 / 2012 Food Parcel Project, together with the Tiger Brands Corporate Social Investment distributing 16 500 food parcels to underprivileged families of Alexandra township. It has been a pleasure to work with Mr. Masike as a service provider he takes personal responsibility ensuring that Nungu delivers exceptional service.

The Tiger brands Foundation is pleased to recommend Mr. Masike and his company Nungu to any potential client.

Warmest regards
